

Fidelity Bonding Re-entry Program

No-cost, no-deductible bonding enables at-risk job applicants such as ex-offenders, including individuals recovering from substance addiction, to obtain and keep a job.

Fidelity Bonding helps people **find** and **retain** work while protecting employers **at no cost.**

Bonds insure the employer against job-related theft, dishonesty, or embezzlement by the bonded employee on or away from the work site. These bonds may be renewed.
