

Seafood Recruitment

**ALASKA DEPARTMENT OF LABOR
& WORKFORCE DEVELOPMENT**

North Pacific Seafoods hiring Dock Operations Manager at Pederson Point, Naknek

As the Dock Operations Manager at our seafood processing plant, you will play a pivotal role in overseeing and managing all operations related to the dock area. You will be responsible for ensuring the efficient and safe handling of incoming and outgoing seafood shipments, maintaining compliance with regulatory standards, and optimizing productivity within the dock facility.

Pay: \$28-\$30 per hour, \$42-\$45 overtime

TO APPLY: Visit alaskajobs.alaska.gov and search for "668745"

Key responsibilities:

- Leads in one or more sections of the dock area pertaining to training, quality, workmanship, productivity, recovery, sanitation and employee practices
- Ensures proper use of protective gear, safe operation of machinery, and safe use of chemical cleaning agents
- Reports continuing performance and attendance issues to supervisor
- Receives and answers questions from workers pertaining to dock area processes or equipment operation
- Monitors and expedites the flow of materials within the dock area and makes adjustments when necessary
- Notifies the foreperson of equipment malfunctions
- Tends or operates machines or equipment in the dock area to substitute for absentee workers.
- Maintains workflow records and documents as necessary
- Assures compliance with all safety and dock work practices
- Trains workers in equipment operation and safety procedures
- Communicates with Supervisors, and other Lead personnel about any problems or concerns
- Performs activities of workers supervised
- Dock Leads may be assigned duties and tasks the same as dock workers and keys as needed.
- Operates Crane, forklift, and other equipment with appropriate operators' licenses
- Identify all incoming fish and properly segregate them according to species, grade, size, and color
- Coordinate segregation by species to facility fish bins
