## Laborers (seasonal) in Fairbanks

ALASKA DEPARTMENT OF LABOR  
& WORKFORCE DEVELOPMENT

### Duties:

- Clean and prepare construction sites, AD yard, and shops to eliminate potential hazards.
- Carry and load construction materials for craftsmen working on projects, using flatbed trucks, trailers, and forklifts. Certification is required to operate this equipment.
- Control traffic passing near, in, and around work zones.
- Signal equipment operators to assist with the alignment, movement, and adjustment of machinery, equipment, and materials.
- Dig ditches or trenches, backfill excavations, and compact and level earth to meet grade specifications.
- Load, unload, identify, and distribute building materials to designated locations as per project plans and specifications.
- This position can be physically demanding, requiring lifting and carrying heavy objects. Work may also be performed at heights and outdoors in all weather conditions.

### Many positions available

**Pay:** \$23-\$25, based on experience

The Laborer position involves installing buildings and structures for customers under the guidance of a more experienced team member. The ideal candidate must be organized, dependable and willing to learn. Additionally, this role requires professionalism and excellent customer service skills. An honest, efficient, and positive team player is essential.

### TO APPLY:
