The Alaska Forum is the state's largest cross-sector gathering, bringing together leaders from government, business, education, nonprofits, and communities across Alaska to collaborate on and learn about the projects and challenges shaping the state's future.

In 2027, the conference's **Career & Craft Fair expands to two days**. Job seekers can meet employers, explore career paths, and learn about training and apprenticeship programs in a range of fields. The fair also offers free resume help, professional headshots, and on-site networking.

Employers & Career Fair Exhibitors:

- Meet job seekers with backgrounds in environmental fields, hazardous waste handling, disaster preparedness, utility operations, resource development, and more.
- Reach conference attendees from communities and businesses statewide, from Kotzebue to Ketchikan. **The fair is also open to the general public.**
- Exhibit alongside 60+ employers, including contractors, Tribal governments, Alaska Native corporations, nonprofits, and federal and state agencies.
- Build your recruitment pipeline while supporting Alaska's workforce.
